Mr. Walker,

I just want to follow up regarding our request for due diligence information on the attached list of customers. If there are any questions or concerns regarding the request, please do not hesitate to reach out to me.

Also, as a part of our “know your customer” efforts, it is my goal to visit every customer. My goal is to have dialogue around our SOM program, build relationships with our customers, and strengthen the partnership necessary to be in compliance in the current regulatory environment. I would like to meet with you and/ or a member of your team at your earliest convenience. Please let me know availability and the appropriate location.

Thank you,

Eric Brantley
